Booking travel

Book business travel through the company travel portal. Flights over $800 require manager approval before booking.

Hotels

The standard hotel limit is $225 per night before taxes. A manager may approve a higher rate when a conference hotel or local market conditions justify it.

Meals

The meal reimbursement limit is $65 per person per travel day, including tips. Alcohol is not reimbursable.

Submitting expenses

Submit expense reports within 30 calendar days after the trip ends. Attach an itemized receipt for every expense over $25.

Personal travel

Personal travel added to a business trip must be paid by the employee. Reimbursement is limited to the documented cost of the business-only itinerary.
